Grace and peace to you all,

The Annual Congregational Meeting and Meeting of the Corporation will take place after worship on January 31. It is my sincere hope that you plan to attend.

Immediately after that will be a 'town hall' style meeting to discuss the church's programs. Anyone and everyone who has interest in what goes on at the church is invited to attend and everyone will have a chance to let me know whatever happens to be on their mind. Any topic is open for discussion, but I'm hoping to get as much feedback and as many ideas as possible about Christian Education and the youth group.

I happen to take the Christian Education and Programming very seriously, falling under the broader heading of 'Spiritual Formation and Nurture' and have been involved with it for close to ten years. I see it as a lifelong process, but believe additional emphasis is needed when it comes to our young people.

As such, I am committed to improving both the quality and quantity of what is offered here at United Presbyterian. I hope that you will partner with me in this, and begin by being at the meeting.

If it happens that you are unable to attend the meeting, but still wish to offer ideas, feedback, or your thoughts on this (or any) subject – please feel free to contact me.

With thanks and blessings,
